THEME EVENINGS

GALA DINNER

Champagne Sports Resort has a range of materials and colours with which to provide your basic colour selection and contrast detailing. We will work around your themed colour choice with a variety of materials such as taffeta, velvet, and organza to create the look and feel to suit your conference theme. Underplates and detailed serviettes add the personal touch to your settings.

FUN, THEMED EVENINGS

With trends changing continually, we will adapt our themed evenings to suit your conference theme. Themes that we have done successfully include:

AROUND THE WORLD: we decorate your tables according to the countries of your choice, to match the buffet or to go with the conference theme. England, Greece, Germany, South Africa, Italy, India and Mexico are our most popular.

CRYSTAL ICE: a winter-wonderland feel of white, silver and crystal with a hint of blue.

A NIGHT OF MAGIC: with magical backdrops and table décor to create a fun feeling of mystery.

SEVEN SEAS: we create the nautical feel with hues of blues and greens with nautical centre pieces. We can adapt to traditional blue and white with a touch of red.

FOUR ELEMENTS: with Air, Water, Earth and Fire, we divide the room into four and dress the tables according to each element.

SANDS OF TIME: an evening of calm and neutral colours to complement our surrounds. This theme goes well in all our venues and does not require draping.

MEXICAN FIESTA: for a party night that is easy for the delegates to dress up and join in. Bright and Loud.

AFRICAN AFFAIR: a theme that can be adapted to the traditional outdoors or the stunning sunsets of Africa.

WESTERN: with Cowboys and gingham, cattle and grass, we take you back to the Good 'ol Western days.

PUB EVENING: we have the UK Pub and the Irish Pub ... a chilled evening.

TROPICAL EVENING: bright colours, oversized faux flowers and leis for the delegates.

Draping of venues, ceiling décor, serviette detail, buffet décor and gifts for your guests can all be arranged through us.

Our décor is designed around your individual needs. Please contact us for a personalised quote.

All pricing on theme evenings is available from conference reservations at the resort on 036 468 8000.
